

What can In-Home Care provide for my Home Health Patients?

In-Home Care Services, like those provided by “A First Name Basis Home Care”, improve the quality of life for home health patients. In-Home Care Services are not restricted by hour or service limits which allows patients to have care 24 hours a day, 7 days a week! The schedule can be whatever the patient desires. The Management and Staff at “A First Name Basis Home Care” highly promote home health services for those clients who qualify. “A First Name Basis Home Care” is not able to provide skilled care but we understand how patients can benefit from both home health care and in-home care services.

What types of patients are most appropriate for in-home care services?

Any patient that requires any additional assistance is a great candidate for our services. Examples of the services “A First Name Basis Home Care” can provide are:

- Eating, grooming, dressing, bathing, toileting, continence care, transferring, and medication management and reminders
- Feeding tubes, trachs, catheters – best for patients in assisted living facilities (ALF) who want to remain in the ALF and not transfer to a nursing home
- Alzheimer’s and dementia care
- Transportation, housekeeping, meal preparation, laundry and errands

How do I send a referral, and will my patient need a physician’s order before they start services?

Referrals can be made 24 hours a day, 7 days a week by calling us at 337.233.4778. Typically, our clients do not require any documentation from their physician to use our services.

Why should our patients choose A First Name Basis?
